Survey: Bicycle routes in Ulm

The FahrRad team of the city of Ulm is currently determining a main route network for bicycle traffic in Ulm. It is to be based on the actual traffic flows and would like to take into account the opinions and criticism of cyclists. From April 17 to May 14, 2023, citizens can mark as many places on the routes as they like on an online map and rate them according to various criteria. The QR code will take you to the voting website.

Meme of the Month

Here we publish the best meme in each issue.
Anyone can **send in memes to:**
`oeffentlichkeit.fin@lists.uni-ulm.de`, preferably with "Meme of the Month" in the subject line. We're looking forward to your creative ideas!

We wish all those who have (successfully) survived the first exam period a nice lecture-free time!
