## Multi-factor authentication (MFA)

From 01.11.2024, Ulm University has introduced mandatory multi-factor authentication (MFA) for access to the campus network via VPN and access to the university's IDM (identity management system).

If you have not yet activated this, please do so as soon as possible. Here you can find instructions and further information:

## University funding

The new Higher Education Funding Act has been passed. Universities will effectively receive 1.6% less money. This means that universities are losing part of their funding base.

Many courses are therefore on the brink and may have to be cut in the future.

**So that this message reaches the state parliament, come to the demonstration on 15.11.24 at 12 noon in Stuttgart.** It's best to take the 10:15 train from Ulm to get there on time.

Posters with further details will be put up on the notice boards at the university before the demonstration.

## Meme of the month

Here we publish the best meme in each issue.

Anyone can **send in memes to:**

[oeffentlichkeit.fin@lists.uni-ulm.de](mailto:oeffentlichkeit.fin@lists.uni-ulm.de), preferably with "Meme of the Month" in the subject line, and maybe a note on if/how you want to be mentioned by name. We're looking forward to your creative ideas!
