

## What is the International Unit?

The International Unit (IU) is **representing** and **communicating** the **interests** and needs of **foreign students**. We work closely with the International Office to offer you the best possible support.

## What is our goal?

Our goal is to facilitate the **integration** of foreign students. Therefore we regularly organize **multicultural events** and additional activities for you throughout the semester. By that you **get to know** each other better and become part of the **large student body** at the University Ulm.

## How can you join?

If you are interested in **meeting new people** or even want to get **involved** in the IU, please feel free to **contact us** via email or facebook and we will give you all the **important information** and keep you up to date with **upcoming events**.
